

## ARTON RAMADANI

### Software Engineer

Rr. Ali Vitija, Nr.13, Prishtine, 10000, Kosove · +383 (0) 45 944 338  
·artonramadani25@gmail.com·

## EXPERIENCE

06/2021 – 12/2022

### **SENIOR WEB DEVELOPER**, SOLUTYONS

Built and tested the functionality of different web platforms developed by me and different developers. Responsible to develop platforms from the start or contribute on other projects that are being developed by our team members, update older platforms, test the security of different functions on platforms, and from time-to-time test team members knowledge and ability to not fall as pray of hacker's.

01/2021 – 04/2021

### **FRONT/BACK-END DEVELOPER**, KAPAKU WEB

Successfully programed web pages using different technologies like html5, CSS, JavaScript, php, MySQL, Wordpress, and had to use technology like Cloud Flare to prevent bots and to make our platforms more secure.

01/2020 – 02/2020

### **FREELANCER**, NNP "AGRONI"

Successfully programmed an application that will help the owner better manage his income and outcomes, his workers, and the working tools that the owner has.

09/2013 – 09/2017

### **SCHOOLS' CABINET MAINTENANCE**, GYMNASIUM "NAIM FRASHERI" - SHTIME 3 YEARS ELEMENTARY SCHOOL "HASAN PRISHTINA" – GODANC 1 YEAR

Successfully repaired more than 50 computers, and maintained them by updating and in some cases fixing hardware and software.

## EDUCATION

10/2012 -01/2020

### **COMPUTER SCIENCE AND ENGINEERING**, UNIVERSITY FOR BUSINESS AND TECHNOLOGY - UBT

During the completion of my studies got detailed knowledge in urban planning, planning and projecting all kind of buildings, construction of the buildings and going through the history of architecture. Being able to know the definitions, drafts, rules, principles and all about planning. I was part of different activities related to architectural works, which helped me develop my career in a professional level.

09/2009 – 06/2012

**STUDENT OF SCIENCE GYMNASIUM**, GYMNASIUM “NAIM FRASHËRI” - SHKUTINE

Except studying and getting knowledge from the gymnasium, I was also part of Math and the English club.
